HOUSE OF INDUSTRY

THE EIGHTY-FIFTH ANNUAL REPORT OF THE BOARD OF MANAGEMENT OF THE HOUSE OF INDUSTRY FOR THE YEAR 1921-1922.

The Trustees and Managers of the House of Industry beg leave to submit the report of the work of this Institution for the year ending, March 31st, 1922.

INMATES.

249 Inmates have been cared for in the Home during the past year, an increase of 22 compared with the previous year. The cost of maintenance was \$16,923.80 a decrease of \$3,286.16 compared with the previous year, and a cost per capita per day of 38.64 cents as compared with 50.87 cents the previous year.

This saving of 12.23 cents has been effected by the use of Smokeless Soft Coal (6.42 cents) per day, and the balance in the decrease in cost of food supplies.

Of the 249 Inmates practically none were able to do any kind of work, and only about 10% were able, mainly through the assistance of friends and relatives, to contribute anything towards their support.

The daily average number of Inmates in the House was 176. Of the total number of registered Inmates 172 were Males and 77 Females. A number of the women inmates assisted with sewing and mending.

OUTDOOR RELIEF.

The work of this department consists of assistance given to families in their homes, and during the past year has been the heaviest in the History of the House. This has been caused by the labour situation, a large number of men being unable to secure work.

The number of families assisted were 6,993, consisting of 27,998 persons as compared with 1,802 families the previous year. Of the above, 507 families had sickness in the home.

The cost of Outdoor Relief for the year was \$316,868.79 an average cost of \$45.31 per family, compared with \$57.20 the previous year.

5,663 families were assisted for the first time, or 80% of the total cases relieved.

RETURNED MEN.

2,104 families of Returned Men received assistance, the cost being \$72,103.17 included above.

In connection with applications for assistance 18,947 visits were made by our Investigators with the result that 768 applications, including 64 families of Returned Men, for good reasons were refused.

It might be well to point out that this careful oversight has resulted in a saving based upon the average relief given of about \$35,000.00.

We would also draw attention to the fact that the entire cost of Salaries and Wages in the administration of the work of the House for the year in all Departments has been only 7-2/5% of monies expended.

An additional motor truck was procured to cope more particularly with emergency orders. The possession of the two cars has enabled the House to give immediate help in cases of sickness and in homes where emergency supplies were urgently required and no other method is available. The investigators are also enabled to make many more visits and report immediately in cases requiring immediate action. We are therefore enabled to relieve all cases of urgent need if reported before the Office is closed for the day.

It affords us pleasure to report the willing co-operation of the Medical Health Department, City Relief Office and various Social Agencies engaged in the work of relieving suffering and distress.

Early in October last, after the Public Welfare work had been placed under the direction of Dr. Chas. J. Hastings, Medical Officer of Health, His Worship the Mayor, the Board of Control and the City Council directed that the House of Industry should be the only distributing agency for Outdoor Relief for the City.

About this time, (Sept. or Oct.) the Board realizing that there was likely to be a strenuous winter ahead, appointed a special committee to meet weekly, the better to keep in touch with general conditions and to deal promptly with all matters which needed immediate attention.

WAYFARERS' LODGE

Those who are sheltered and cared for in the Lodge were in the great majority homeless residents of the City, being 74%

of the total number sheltered, while 26% came from outside municipalities.

The Homeless Poor of the City numbering 1,913 were sheltered 18,150 nights and those from other municipalities numbering 691 were sheltered 5,566 nights during the year, being an increase from last year of 1,268 persons or 95%.

Of the 2,604 persons, 757 were under 30 years of age, 591 were from 30 to 60 and 81 were upwards of 60 years of age.

Total meals supplied 96,592.

TREASURER'S STATEMENT

The Treasurer's report at the end of last year showed a total liability of \$60,561.97, our expenses for this year amounting to \$343,706.15, making a total of \$404,268.12 as against \$129,256.36 one year ago.

Receipts from all sources amounted to \$316,720.24, thus leaving a total liability at the end of our year, March 31st last of \$87,547.88.

For further information as to our financial condition we refer you to the Treasurer's statement and to the Superintendent's report, which give separate details of all branches of the work done in connection with the House.

The Superintendent, Mr. A. Laughlen, and his wife, have performed their duties with efficiency and faithfulness.

The Board wishes to record its appreciation of the splendid work done by the Superintendent and his wife, notwithstanding the increased responsibilities which have been placed upon them.

The spiritual welfare of the Inmates is well looked after by Ministers of the various denominations. Several City Missions also have weekly services throughout the year.

Numerous concerts and suppers have been provided by friends of the House, which contribute towards brightening the lives of the Inmates.

It is with pleasure we report the gift of a piano from the Junior League of the Woodgreen Methodist Church. This gift is sincerely appreciated, and has filled a long felt want, and has added materially to the comfort and happiness of the Inmates.

The Board of the House sincerely appreciate the splendid co-operation of all classes of workers and earnestly ask for further interest and help on the part of all citizens generally in carrying on this most necessary and deserving work.

We desire also to express our hearty thanks to the Consumers Gas Company for their generous gift of 1,000 bushels of Coke.

We regret to have to record the removal by death of Mr. H. R. Frankland and Mr. John O'Neill, M.P.P. Mr Frankland was appointed a Board Manager in 1895 and a Trustee in 1913. He had also acted as one of the Visitors of the Board for many years and his presence will be greatly missed.

Mr. John O'Neill, M.P.P. was appointed a Board Manager in 1921, and although only recently appointed had taken an active interest in the affairs of the House. His decease is a distinct loss to the House.

THE LADIES' ADVISORY COMMITTEE.

The Ladies' Advisory Committee, consisting of the following:— Mrs. W. Forsyth Grant, Convener, Mrs. Michie Cowan, Assistant Convener, Mrs. A. J. Broughall, Mrs. N. Brock Wilkins, Mrs. Wylie Mahon, Miss Gertrude Brock, and Miss Carolyn Roberts, Secretary, have been active in their duties, and have given valuable services during the past year much appreciated by the Board.

All of which is respectfully submitted.

Secretary.

REPORT OF WAYFARERS' LODGE.

HOMELESS POOR OF TORONTO.

The number who found shelter at the Wayfarers' Lodge during the year, April, 1921, to April, 1922, was 1913, the number for the three consecutive years being 141, 1,105 and 1,913.

The total number of nights for this class of persons was 18,150 or an average of 9 nights for each person for year.

The cost of maintenance was \$7,477.90.

POOR FROM OTHER COUNTRIES.

The number who came from outside the City and found shelter in the Lodge was 691, the total number for the three consecutive years being 85, 231, and 691.

The total number of nights given to this class was 5,566 or an average of 8 nights for each person in the year.

The cost of maintenance was \$2,293.29.

Therefore the total number sheltered in the Wayfarers' Lodge last year, Homeless Poor of Toronto, and Poor from other Countries, was 2,604, the number for the three consecutive years being 226, 1,336 and 2,604.

The number of women who found shelter in the Lodge was 17, 14 being from the City and 3 from outside points. Number of nights' shelter received by women, 99, included above. 5 children accompanied by their mothers sheltered 11 nights.

Hence the total number of persons, men and women, was 2,604—(2,587 Men and 17 Women) and the total number of of nights was 23,716.

The total cost of the Lodge for the year was \$9,771.19. For three consecutive years the cost was \$1,896.22, \$5,889.30, and \$9,771.19.

The number of meals supplied casuals was 96,592 at a cost of 5-7/10 cents per meal.

The average number in the building of Casuals during the three Winter months (Jan. Feb. and March) was 151.

REPORT OF OUTDOOR RELIEF.

The demands made upon the House of Industry for Outdoor Relief or relief given to families at their homes, during the past year, has been the greatest in the History of the House.

This increase is due to the fact of the continued business depression and consequent lack of employment, and the centralization of all work of Relief from the House of Industry directed by the Mayor and Board of Control in October last.

The number of families assisted last year was 6,993, comprising 27,998 persons. The nearest approach to these figures was in the year 1914-1915 when 6,114 families were relieved.

The following statement of families assisted with cost of supplies for the past few years may be of interest.

| Year | Number of Families | Groceries | Fuel |
|---------|--------------------|-------------|-------------|
| 1912-13 | 1,458 | \$ 6,477.21 | \$ 9,850.43 |
| 1913-14 | 6,114 | 51,933.21 | 28,100.39 |
| 1915-16 | 2,002 | 14,064.16 | 6,530.17 |
| 1916-17 | 738 | 5,137.53 | 3,322.47 |
| 1917-18 | 980 | 11,998.91 | 6,556.94 |
| 1918-19 | 991 | 14,664.80 | 5,273.08 |
| 1919-20 | 927 | 14,440.30 | 8,137.95 |
| 1920-21 | 1,802 | 62,364.85 | 20,271.71 |
| 1921-22 | 6,993 | 220,968.15 | 64,772.95 |

Four investigators were employed by the House up to the 1st of January, this number being increased to ten, necessitated by the large number of cases requiring visitation.

7,761 applications for Relief were received and after investigation 768 for various and sufficient reasons were refused assistance. As the average cost per family per year was \$45.31, there was a saving of about \$35,000.00.

18,947 written reports were made during the year by our investigating staff.

5,663 families or 80% of the total cases received were assisted for the first time.

Among the causes of destitution, sickness as usual was one of the important factors.

The following is a list of supplies given weekly to families of five persons:—

| | SUPPLIES GIVEN |
|--------|------------------|
| 4 Lbs. | Oatmeal |
| 2 Lbs. | Rice |
| 3 Lbs. | Flour |
| 4 Lbs. | Granulated Sugar |

| | | |
|-------------------|----------------------------------|------------------|
| $\frac{3}{4}$ Lb. | Tea | |
| 1 Lb. | Cheese | |
| 2 Lbs. | Prunes | |
| 2 Bars | Soap | |
| 2 Lb. | Tin Syrup | |
| 1 Lb. | Beans (Same for Large and Small) | |
| 4 Lbs. | Meat | |
| 9 Lbs. | Vegetables— | |
| | | (3 Lbs. Onions) |
| | | (3 Lbs. Carrots) |
| | | (3 Lbs. Turnips) |
| 1 Peck | Potatoes | |
| 2 Lbs. | Creamery Butter | |
| 1 Lb. | Beef Dripping | |
| 1 Qt. | Milk Daily | |
| 6 Loaves | Bread Weekly | |
| 600 Lbs. | Coal every 2 weeks | |

The above list of supplies distributed weekly will give a fairly good idea of the heavy demands that have been made and promptly and thoroughly dealt with during the year just closed.

As previously stated, the cost per family for the year was \$45.31, compared with \$57.27 the year previous. The decreased cost is attributable to large purchases at Wholesale Rates, and a reduction in the price of food stuffs during the year.

The aim of the House of Industry has always been to give assistance in the simplest and most direct way and free from unnecessary regulations. While care is taken to protect the House against imposition and fraud, every case of need receives careful consideration and sympathetic treatment.

The House has never approved of publicity in carrying out its Relief Work, but has endeavored to treat all applications and reports of our Investigators as confidential, so that those whom misfortune has compelled to receive assistance may receive it without loss of their self respect.

The Superintendent, Mr. Laughlen, and his wife have given the same careful attention to the work of this department as in the past and their faithful service is fully appreciated by your committee.

All of which is respectfully submitted.

Secretary.

REPORT OF THE VISITING PHYSICIAN

HOUSE OF INDUSTRY TORONTO.

For the Year Ending March 31st 1922.

The Health of the Inmates has been good considering their age. We have had no epidemics beyond occasional outbreaks of ordinary "colds" and for the most part all are happy and contented.

There have been 128 admissions to the House, 22 coming from the City Hospitals.

Our custom of sending those suffering from acute illness to the Hospital has been adhered to and 24 have received such treatment from the Toronto General and other Hospitals.

Our infirmaries both for males and females, are usually filled to capacity with those requiring bed treatment, not sufficient to require active hospital treatment, and I cannot speak too highly of the sympathetic care and attention given to such by our present Nurse, Mrs. Geall, who is untiring in her ministrations to those requiring her care.

We have had 18 deaths, 11 men and 7 women, most of which have been due to cardio vascular conditions, the result of advancing years.

CHARLES J. COPP

Attending Physician.
